Topics for Years 2, 3, 4 available on request or at www.cbm.org.nz

Special Features Include

5 years of teaching material.

Every year has 3 packs of visuals and 3 curriculum guides, each containing 12 lessons. (36 lessons per year)

Fully visualised lessons. Most have 8 full colour picture cards. Some pictures are also used on a flannelboard.

Storytelling method of teaching used for the whole group, followed by small group activities to reinforce this teaching.

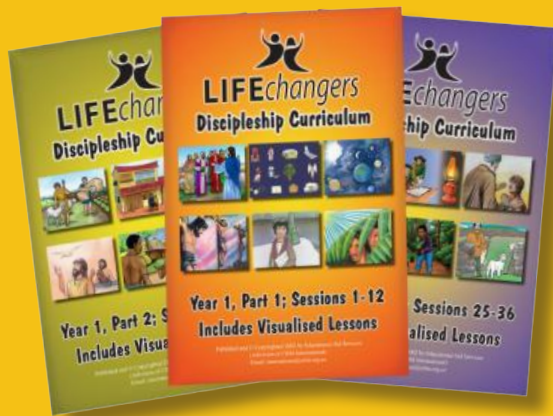

Suggested memory verses and reproducible Bible studies are included.

All lessons aim to bring about spiritual change in the lives of children. Therefore a strong personal life-application is woven through each teaching story.

The majority of lessons are based on Bible stories. The remainder illustrate Biblical truths through the biographies of Christians from around the world, or give basic doctrinal teaching.

The curriculum is designed to lead children into a personal relationship with Christ and give all the basic teaching necessary to make them into mature disciples.

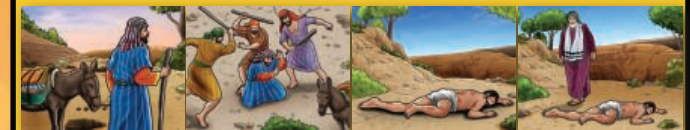

Suitable for ages 7-12.
