

2020 International Training Course

This 16-week course is for internationals and locals, especially those in leadership positions.

If you have a heart to minister to children and want an in-depth overview of children's ministry, then this course is for you! The course combines lectures on a wide variety of topics with practical involvement in children's ministry.

Be prepared for God to work in your own life!

Accommodation is arranged for International students, and if required, local students.
