GOD HAS DESIGNED US TO MAKE A DIFFERENCE

God put us on earth to contribute, and He is calling us to a life of service far beyond anything we could ever imagine. He wants us to give something back to our communities and to help other people. Every one of us was designed to make a difference with our lives.

"It is God himself who has made us what we are and given us new lives from Christ Jesus; and long ages ago he planned that we should spend these lives in helping others."
Ephesians 2:10 (TLB)

Whenever we serve others in any way, we are serving God. As Colossians 3:23-24 says, "Do your work willingly, as though you were serving the Lord himself, and not just your earthly master. In fact, the Lord Christ is the one you are really serving, and you know he will reward you." (CEV)

Jesus said the same in one of his parables: "The king will answer, 'Whenever you did it for any of my people, no matter how unimportant they seemed, you did it for me.'" Matt 25:40 (CEV)

As we serve, we remember that we are ministering to those He has entrusted to us. What a privilege!

As we serve, we remember that we are ministering to those He has entrusted to us. What a privilege!

Let's look at all the amazing ways CBM Philippines has made a difference as we have reached out to and ministered to these precious children.

In Him we serve,

Dionisio, Marina, Melany, Andrea, and the CBM Philippines team

HDS FAMILY CAMP 2026

On September 24-25, 2026, HDS Family Camp hosted 80 participants, including 40 individuals with disabilities, under the theme **ABUNDANCE**. Campers experienced God's love and grace through impactful testimonies, leading many to accept or reaffirm their faith. The event was filled with **joy, laughter, games, swimming, singing**, and meaningful fellowship, demonstrating that disabilities did not limit participation.

All PWD campers received tokens of blessing, thanks to staff and volunteers' generosity. The camp was a success, with heartfelt gratitude to all who contributed, making an eternal impact.

HEBRON
CHILDREN'S HOME

Hebron Children's Home is a home the children call their family, where they share their daily experiences, achievements, aspirations, and challenges. These children came from a life marked by neglect, hardship, and hopelessness. Behind every smile is a story of resilience, hope, and determination as these young individuals navigate life's obstacles while striving to build brighter futures. Their journey at the Children's Home reflects healing, freedom, and a new beginning.

Life in a children's home brings both joy and difficulty. While the children benefit from a safe environment, education, care, and support, they also face challenges such as coping with loss, overcoming emotional struggles, adjusting to new circumstances, and preparing for independent adulthood. Despite these hurdles, their strength, courage, and positive spirit continue to inspire everyone around them.

We want to acknowledge the dedication of our faithful supporters/donors, dedicated staff, and those who make a difference in the children's lives. We hope the story of Stephanie will encourage compassion, understanding, and continued support for our mission of helping every child reach their full potential.
"Growing Through Challenges, Building Hope for Tomorrow".

"He has sent me to bind up the broken-hearted... to proclaim freedom for the captives and release from darkness for the prisoners."
Isaiah 61:1

FROM THE STREETS TO A FUTURE FULL OF HOPE:
STEPHANIE'S INSPIRING JOURNEY

Stephanie arrived at the Children's Home burdened by poverty, emotional scars, and a life of neglect. Recognized as a **Child at Risk**, she spent much of her early years on the streets, begging for food and fighting to survive. With ten siblings and parents who moved on to new lives, she felt abandoned and yearned for love and attention.

Deprived of a nurturing home and basic needs, Stephanie missed a carefree childhood. At Hebron Children's Home, she was placed in Grade 7 but faced learning challenges, unable to read or do basic math. **Yet, she was eager to grow.**

I**n two years, Stephanie's transformation has been inspiring.** With support, love, and education, she learned to forgive and dedicated herself to improving her skills and relationships. Now, she reads, counts, and spells independently, with a newfound sense of purpose and future vision.

Beyond academics, Stephanie has gained life skills like sewing and crocheting, boosting her confidence and opportunities. Spiritually enriched, her story shows that with love and guidance, vulnerable children can overcome challenges, turning bleak futures into journeys of hope and growth.

Because of your support, children like Stephanie are coming to receive Jesus' love, discovering their worth, rebuilding their dreams, and creating brighter futures every day.

Thank you so, so much for your love, dedication and vision to make these dreams become reality.

Love and Blessings in Him! ***Melany Becada and the HCH Team***

HEBRON CHILDREN'S CAMP

INSIDE OUT: WE ARE LIVING FOR JESUS!

The 2026 Hebron Children's Camp was held on May 12–15, 2026, at Hebron Headquarters with the theme *"Inside Out: We Are Living for Jesus."*

Eighty-two children attended from nearby churches, partner church Bible Clubs, and the Children's Home. They enjoyed Bible stories, crafts, games, food, and swimming. During the gospel presentation and counselling time, ***38 children gave their lives to Jesus.***

On the last night, called Holy Night, a power outage occurred, but God had already prepared a way through the bonfire planned for the older kids' challenge night. It became a meaningful experience not only for the older children, but also for the younger children, leaders, and volunteers. Truly, when God leads, He provides the resources, provision, and connections. **God is amazing!**

MARY JOY WITH HER LEADER AT OUR CHILDREN'S CAMP

MARY "JOYJOY": AN EXTRAORDINARY STORY!

Mary Joy Habagat, a twelve-year-old also known as Joyjoy, attended the camp at Hebron. At first, she joined the older boys because she dressed and acted like a boy. We gently encouraged her to join the older girls, and she soon began to connect with them.

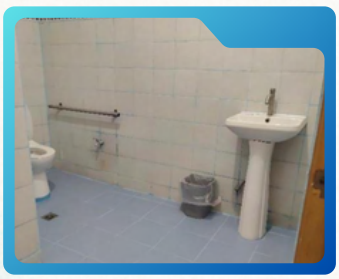

On the first night, her mother called looking for her because Joyjoy had come to camp without her parents' permission. This led to personal counselling with her pastor and CBM staff, where she gave her life to Jesus. She understood that God created her as a girl, beautifully and wonderfully made, and that her name, Mary Joy, reflects who she truly is. Today, she continues to attend Bible Club, invites her friends, and helps lead other children to Jesus.

MAINTENANCE TEAM

"Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms." – 1 Peter 4:10

We are deeply thankful for the dedication and hard work of our three maintenance workers who faithfully labor each day to complete the veranda on one side of the old building. Their commitment and perseverance, even through challenges, are a beautiful reminder that every task done with a willing heart can make a lasting difference.

We have a big place, and it was very difficult relying on just one mower; we are deeply grateful—above all to the Lord—for the people He used to help us acquire another mower. Praise God!

We also praise God for the progress in constructing the protective cage beside the gate for our garbage area, as well as the ongoing renovation of the two comfort rooms in the HDS building. These may seem like simple projects, but they are important improvements that will bring comfort, safety, and blessing to everyone who uses these facilities.

From the bottom of our hearts, we extend our sincere gratitude to all our sponsors and prayer partners. Your generosity, love, and faithful prayers have made these blessings possible. Every gift you have given and every prayer you have lifted up has become part of God's work here in the Philippines.

As we witness these improvements taking shape, we are reminded that ministry is never accomplished alone. It is built through the kindness of people who choose to support, encourage, and pray for others. You may be far away, but your impact is seen and felt every day.

Thank you for standing with us, believing in this work, and helping us serve those in need.
May the Lord richly bless you and your families for your compassion, sacrifice, and faithfulness.
